DGIM JOURNEY

The legacy of the Delhi Global Institute of Management (DGIM) is shaped not by infrastructure, but by the resilience and vision of its Founder and Chairman, Dr. Narender Singh. Born into a humble farming family in Tajupur, Faridabad, Dr. Singh's journey was marked by financial hardship and personal loss. Yet, his unwavering commitment to education never faltered.

Despite early professional setbacks and the loss of his father, Dr. Singh emerged as a principled educator whose integrity earned him deep respect. When faced with political pressure, he chose ethics over security—a defining decision that laid the foundation for DGIM. Founded in 2005, DGIM began in a rented building in NIT Faridabad with no external investors, driven by a singular belief: quality education should be affordable, disciplined, and accessible to all. This vision culminated in the establishment of the present campus in Sector 96, Faridabad, in 2009.

Today, DGIM stands as a reflection of Dr. Singh's values—discipline with dignity, a student-first approach, equal opportunity, and social responsibility. Offering programs across Law, Management, IT, and emerging AI-driven fields, the institution continues to nurture not only skilled professionals but responsible citizens.

DGIM remains grounded in its founding principles—simple, ethical, and student-centric; carrying forward a legacy built on resilience, sacrifice, and the enduring belief that education transforms lives.

VISION OF DGIM

To cultivate disciplined, value-driven, and future-ready professionals by fostering an inclusive, affordable, and empowering learning environment rooted in integrity, resilience, and student-first values. DGIM is committed to holistic education that nurtures academic excellence, ethical leadership, critical thinking, and social responsibility. Every student, regardless of background, is encouraged to rise with dignity, self-assurance, and purpose, equipped with the skills, confidence, and moral strength needed to succeed in a dynamic global landscape. DGIM aspires to stand as a shining example of ethical, accessible, and transformative education, shaping responsible citizens and leaders of tomorrow.

MISSION OF DGIM

1. To Maintain Order with Honor

To foster an environment on campus where discipline develops responsible leaders, guarantees safety, and fortifies character.

2. To Offer High-Quality, Reasonably Priced Education

To provide revolutionary education that is still available to everyone, particularly to those who are disadvantaged yet have the drive to succeed.

3. To Create an Ecosystem Focused on Students

To design every policy, facility, and project around student growth, protection, and empowerment.

4. To Encourage Inclusion and Equality

To guarantee that every student, regardless of background, is given the same respect, opportunity, and support.

5. To Promote Diligence, Honesty, and Accountability

To promote moral strength, endurance, and a strong work ethic inspired by the founder's path of resilience.

6. To Shape Socially Responsible Citizens

To engage students in community service, legal aid, and social initiatives that nurture compassion, leadership, and civic responsibility

Message From The Chairman

“Education is not the learning of facts, but the training of the mind to think.”
– Albert Einstein

At Delhi Global Institute of Management (DGIM), education goes beyond academics. It is about nurturing intellectual growth, character, and holistic development to prepare responsible and engaged members of society. Since its inception, DGIM has remained committed to empowering young minds to meet the challenges of a rapidly evolving world.

The academic journey you are about to begin is a defining phase of your life—one that shapes your career and your character. At DGIM, we strive to

provide the guidance, discipline, and support needed for students to stay focused, confident, and motivated in their pursuits.

We strongly believe that education is not merely the pursuit of degrees, but the shaping of personalities, values, and lifelong curiosity. Our programs integrate strong theoretical foundations with practical exposure, industry engagement, and experiential learning, ensuring the development of skilled, ethical, and socially responsible professionals.

Supported by a dedicated faculty, modern infrastructure, and a safe, inclusive learning environment, DGIM encourages students to explore their passions through academics, community service, sports, and the arts—building leadership, teamwork, and resilience.

As you join DGIM, you become part of a vibrant academic community where potential is nurtured and aspirations are encouraged. I warmly invite you to embark on this transformative journey—one that builds not only successful careers but strong character.

I extend my best wishes to all aspiring students and reaffirm DGIM's unwavering commitment to quality education and holistic growth.

***“Your journey begins here—
towards purpose, passion,
and excellence.”***

– Dr. Narender Singh

Message From The General Secretary

Education is the journey where ordinary minds discover extraordinary possibilities.”

It gives me immense pleasure to share that Delhi Global Institute of Management (DGIM) is deeply committed to nurturing young minds, empowering potential, and shaping purposeful futures. Our focus is to transform students into confident, dynamic professionals capable of meeting the evolving challenges of society and industry, while contributing meaningfully to national growth.

At DGIM, we view education as more than a pathway to employment—it is a lifelong process that builds character, broadens perspectives, and fosters personal excellence. The institution stands firmly on the pillars of discipline, innovation, inclusiveness, and academic rigor, creating a vibrant learning environment where curiosity thrives and individual growth is valued.

We continuously enhance our academic framework through modern teaching tools, upgraded laboratories, personality development initiatives, and strong industry engagement. These efforts provide students with diverse learning opportunities that sharpen skills, build confidence, and define successful career pathways.

In today's rapidly transforming educational landscape, institutions must do more than impart knowledge. DGIM remains committed to holistic development, emphasizing self-growth, adaptability, and lifelong learning. Our dedicated faculty, supportive infrastructure, and student-centric systems work in unison to nurture responsible, capable, and future-ready citizens.

As you explore this prospectus, I invite you to envision yourself as part of the DGIM family—a community rooted in values, excellence, and continuous growth. With every academic year, we reaffirm our commitment to guiding students toward empowerment through education.

I extend my warm wishes to all aspiring learners. May your journey at DGIM lead you toward confidence, purpose, and enduring success.

**“Nurturing potential. Building confidence.
Creating futures.”**

-Mr. Anuj Singh

GOVERNING BODY

PROF. (DR.) SEEMA SINGH

IMSAR, M.D University , Rohtak
(*International Business & Marketing Expert*)

Prof. (Dr.) Seema Singh is a distinguished academician and renowned expert in International Business and Marketing, currently serving as Professor at the Institute of Management Studies and Research (IMSAR), M.D. University, Rohtak since 2021.

As a valued Member of the Advisory Board at Delhi Global Institute of Management (DGIM), she provides strategic academic guidance, research direction, and policy insights that strengthen the institute's commitment to excellence in management education and global business perspectives.

Mr. SAMPURAN SINGH

Distinguished Social Leader, Haryana
(*Member, Governing Body – DGIM*)

Sampuran Singh stands tall as one of Haryana's most respected grassroots leaders. Known for his lifelong dedication to rural upliftment, youth empowerment and community welfare, he has been instrumental in shaping social-justice initiatives across the region. His presence on the Governing Body reflects DGIM's deep commitment to service-oriented education.

He brings invaluable experience from decades of public engagement, making him a guiding force for institutional ethics, student welfare and social outreach.

PROF. RAJKUMAR

Former Dean & Head MANAGEMENT DEPARTMENT & Chief Consultant,
M.D. University, Rohtak
(*31+years of excellence in teaching, research, and academic leadership*)

Prof. Rajkumar is a distinguished academician and administrator with over 31 years of rich experience in teaching, research, academic planning, and institutional leadership. A respected name in management education, he has played a pivotal role in strengthening academic frameworks, fostering university–industry linkages, and mentoring faculty and students across institutions.

During his tenure as Dean & Head at IMSAR, M.D. University, he significantly contributed to curriculum development, quality assurance, and the promotion of research-driven education. His expertise spans strategic management, academic governance, and higher education policy implementation.

& EMINENT MEMBERS

PROF. RANBIR SINGH GULIA

Former HOD, Political Science - MDU Rohtak
(Member, Governing Body – DGIM)

Prof. Ranbir Singh Gulia is a veteran academician celebrated for his scholarship and administrative acumen. With leadership roles at Maharshi Dayanand University and over 30 years of teaching experience, he brings unmatched academic vision.

His deep understanding of public policy, constitutional values and educational governance adds intellectual strength to DGIM's academic framework. His guidance helps DGIM maintain high academic standards and progressive curriculum development.

ADV. (DR.) PARDEEP SINGH PUNIA

Eminent AOR, Former Additional Advocate General - Haryana & Punjab
(Member, Governing Body – DGIM)

Adv. (Dr.) Pardeep Punia is a highly regarded Advocate-on-Record and one of North India's most respected legal minds. Having served as Additional Advocate General for both the Government of Haryana and Government of Punjab, he carries a distinguished record of constitutional litigation, policy advisory and courtroom excellence.

His presence elevates DGIM's legal education ecosystem, providing students inspiration from a practitioner who has argued some of the region's most important matters. His expertise strengthens DGIM's vision of producing courtroom-ready, socially responsible law graduates.

PROF. GURCHARAN SINGH

Professor & Former Head, School of Management Studies, Punjabi University, Patiala
(30 years of rich academic and administrative experience)

Prof. Gurcharan Singh is a senior academician with over 30 years of distinguished experience in teaching, research, and academic administration. He has been instrumental in shaping management education through curriculum development, faculty mentorship, and the promotion of academic excellence.

As Former Head of the School of Management Studies, Punjabi University, Patiala, he provided visionary leadership in academic planning, institutional development, and quality enhancement initiatives. His extensive experience in university administration and governance has contributed significantly to strengthening academic standards and student-centric learning environments.

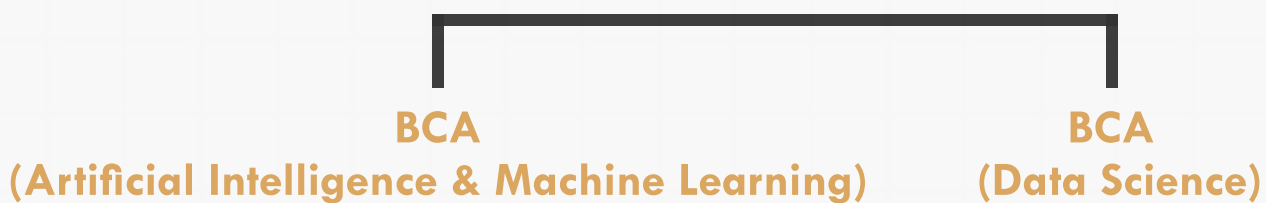

ACADEMIC EXCELLENCE AT DGIM

DGIM offers a diverse range of industry-oriented, future-focused academic programmes designed to nurture knowledge, skills, and professional competence. With a strong emphasis on innovation, technology, management excellence, and legal education, DGIM prepares students to meet the evolving demands of the corporate, digital, and legal world.

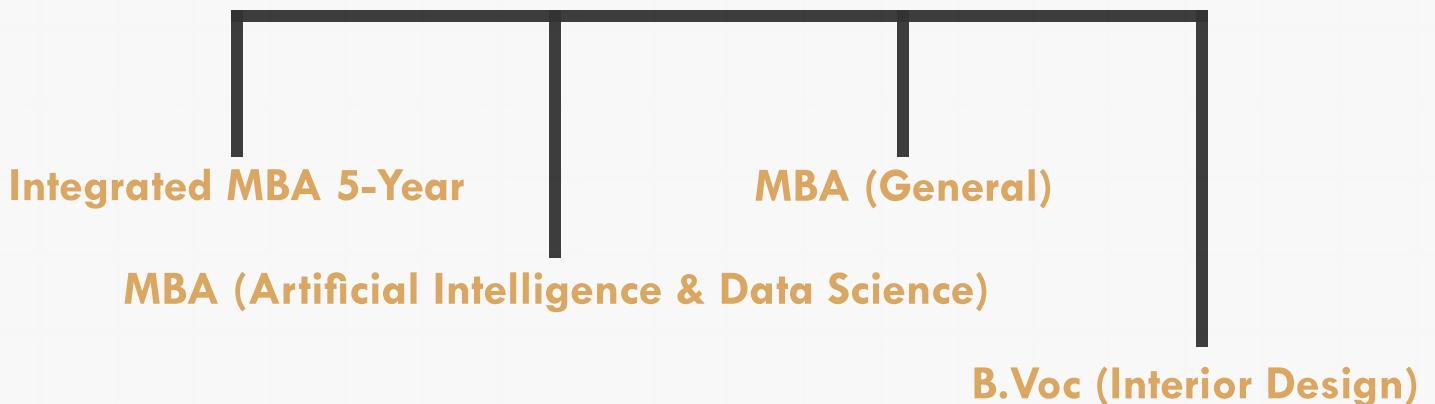

Our programmes are carefully structured in alignment with UGC / AICTE / BCI guidelines and NEP 2020, ensuring academic rigor, practical exposure, and strong career outcomes. Students at DGIM benefit from experienced faculty, modern infrastructure, industry interaction, and holistic development opportunities that lay the foundation for successful professional careers.

COMPUTER APPLICATIONS

MANAGEMENT

LAW

BCA (Artificial Intelligence & Machine Learning)

BCA (DATA SCIENCE)

- ◆ 4 Year Undergraduate Honours Programme aligned with NEP 2020
- ◆ Designed to build future-ready tech professionals for the AI-driven world

PROGRAMME HIGHLIGHTS

- ◆ Strong foundation in Computer Applications & Programming
- ◆ In-depth exposure to Artificial Intelligence,
- ◆ Machine Learning & Data Science

KEY LEARNING AREAS

- ◆ Programming: Python, R, Java/Machine Learning & Deep Learning
- ◆ Natural Language Processing (NLP)/Big Data Analytics & Data Visualization
- ◆ Database Management Systems/Cloud Computing & Software Development

EXPERIENTIAL LEARNING

- ◆ Hands-on training in state-of-the-art computer labs
- ◆ Live industry projects & internships
Coding hackathons & innovation challenges

CAREER OPPORTUNITIES

- ◆ AI Engineer|Data Scientist|Machine Learning Engineer
- ◆ Business/Data Analyst|Software Developer| Cloud Solution Architect
- ◆ Cybersecurity Analyst|IT Consultant

Integrated MBA 5-Year Programme

Start your MBA journey right after Class 12 and graduate as a future-ready business professional. Learn management, analytics, and leadership with real-world exposure at DGIM.

PROGRAMME OVERVIEW

- ◆ Direct Entry after 12th – Early start to a professional management career
- ◆ Integrated UG + PG Degree (10 semesters)– Graduate with a Master's in Management
- ◆ Industry-oriented & Career-focused Programme

CURRICULUM HIGHLIGHTS

◆ CORE MANAGEMENT DOMAINS

Marketing | Finance | HR | Operations | International Business

◆ NEW-AGE FOCUS AREAS

AI in Management | Business Analytics | Digital Transformation

◆ FUTURE SKILLS

Entrepreneurship | Strategic Management | Sustainable Business Practices

◆ SKILL DEVELOPMENT

Communication | Critical Thinking | Leadership | Digital Skills

CAREER OPPORTUNITIES

- ◆ Business Manager / Marketing Executive
- ◆ HR Professional / Talent Manager
- ◆ Financial Analyst / Business Analyst
- ◆ Business Development Officer
- ◆ Entrepreneur / Startup Founder
- ◆ Data-Driven Decision Analyst

B.VOC (INTERIOR DESIGN)

Design spaces. Shape experiences. Build careers. A practical, industry-driven B.Voc in Interior Design. Turn creativity into a career with professional training in interior design. Learn space planning, design tools, and real-world execution from day one.

Designed on a 50:50 theory and practical framework, the B.Voc curriculum ensures experiential learning through practical training commencing from the first semester.

PROGRAMME OVERVIEW

- ◆ Skill-Oriented Undergraduate Programme
- ◆ Develops Creative + Technical + Practical Design Skills
- ◆ 3 Years | NSQF & NEP 2020 Aligned
- ◆ Strong focus on Hands-on & Industry Training

WHAT YOU WILL LEARN

- ◆ Space Planning & Interior Aesthetics/ Furniture Design & Ergonomics
- ◆ Materials, Finishes & Color Theory/ Lighting Design & Sustainable Interiors

DESIGN TOOLS & SOFTWARE

- ◆ AutoCAD/ SketchUp
- ◆ Revit/ 3D Modeling & Visualization

CAREER PATHWAYS

- ◆ Interior Designer/ Space Planner/ Furniture Designer
- ◆ Design Consultant/ Visual Merchandiser/ 3D / CAD Designer

HIGHER EDUCATION OPTIONS

- ◆ M.Voc / M.Des
- ◆ Advanced Design Certifications
- ◆ Professional Practice & Freelancing

MBA - DUAL SPECIALISATION

A future-focused MBA offering dual specialisation for wider career opportunities. Industry-driven curriculum designed to build versatile, job-ready business leaders. Develop leadership, analytics, and industry-ready skills in just two years.

CORE MANAGEMENT AREAS

- ◆ Marketing Management| Finance| Human Resource Management
- ◆ Operations Management & Supply Chain| International Business| Information Technology
- ◆ Business Analytics|Agri Business

DUAL SPECIALISATION

The curriculum is designed to offer dual specialization, allowing students to develop competence in two functional domains.

- ◆ Summer Internship & Live Projects
- ◆ Case Studies & Business Simulations
- ◆ Industrial Visits & Corporate Interaction

CAREER OPPORTUNITIES

- ◆ Marketing Manager / Brand Executive
- ◆ HR Specialist / Talent Manager
- ◆ Financial Analyst / Investment Executive
- ◆ Operations / Supply Chain Manager
- ◆ Business Development Executive
- ◆ Entrepreneur / Startup Founder
- ◆ Consultant/ Analyst (IT, FMCG, Banking, Manufacturing, PSU)

WHY MBA DUAL SPECIALISATION?

- ◆ Wider Career Options/ Higher Employability
- ◆ Multi-Disciplinary Expertise/ National & Global Career Readiness

MBA (AI & DATA SCIENCE)

A next-generation MBA integrating Artificial Intelligence and Data Science with core management. Designed to create data-driven leaders for the digital economy. Lead with data. Decide with intelligence. An MBA that blends AI, analytics, and management excellence.

PROGRAMME SNAPSHOT

- ◆ MBA with AI & Data Focus
- ◆ 2 Years | Future-Oriented Curriculum
- ◆ Combines Management + Artificial Intelligence
- ◆ Designed for Digital & Data-Driven Leadership

LEARNING OUTCOMES & INDUSTRIAL TOOLS

- ◆ Data-driven decision-making and AI-based business strategy.
- ◆ Practical applications of AI & Machine Learning across functions
- ◆ Predictive analytics, data visualization, and business intelligence
- ◆ Ethical use of AI and data governance
- ◆ Hands-on exposure to industry tools: Python, R, SQL, Power BI, Tableau, Advanced Excel, ML & Cloud platforms

LEARNING @ DGIM

- ◆ Live Industry Projects & Internships
- ◆ Real-World Case Studies
- ◆ Analytics Labs & Coding Workshops

CAREER OPPORTUNITIES

- ◆ Data Analyst / Business Analyst
- ◆ AI Project Manager / AI Program Manager
- ◆ Product Manager (AI & Data-Driven Products)
- ◆ Analytics Consultant
- ◆ Financial / Risk Analytics Manager
- ◆ Marketing & Customer Analytics Manager

INCUBATION CENTRE

The establishment of the Incubation Centre marks a significant step in fostering innovation and entrepreneurship among our students. Inaugurated by Dr. Narender Singh, Chairman of DGIM, the Centre serves as a dynamic hub that offers structured guidance, expert mentorship, and essential resources to help students transform innovative ideas into viable and successful ventures. This initiative reflects DGIM's strong commitment to nurturing future leaders who are capable of contributing meaningfully to both society and the economy.

MANAGEMENT CLUBS

**IGNITING IDEAS.
BUILDING STARTUPS.**

- ◆ Fosters a vibrant culture of creativity, innovation, and entrepreneurship.
- ◆ Supports students in transforming ideas into startups through mentorship and incubation.
- ◆ Organizes workshops, bootcamps, and industry interactions to sharpen business and innovation skills.
- ◆ Connects students with experts, startup ecosystems, and funding opportunities.

Outcome: Empowering future-ready leaders, innovators, and job creators through innovation-driven growth.

**PLANNING EXCELLENCE.
CREATING EXPERIENCES**

- ◆ Leads the planning and execution of all major institutional events
- ◆ Manages seminars, conferences, cultural programs, competitions, and guest lectures
- ◆ Oversees logistics, hospitality, coordination, communication, and promotions
- ◆ Builds leadership, teamwork, and organizational skills through hands-on exposure

Outcome: Creating seamless, impactful, and engaging campus experiences while showcasing DGIM's excellence and student talent.

INTERNSHIP & PLACEMENT CELL

BRIDGING CAMPUS TO CORPORATE

The Internship & Placement Cell (IPC) at DGIM serves as a dynamic link between academic learning and industry expectations, ensuring students are career-ready from day one.

KEY HIGHLIGHTS: Early Industry Exposure

- ◆ Structured Internships & Live Projects
- ◆ Corporate talks, workshops & industry visits

Strong Industry Network

ENGAGEMENTS WITH:

- ◆ Corporate Houses
- ◆ IT & AI Companies
- ◆ Startups & NGOs
- ◆ Law Firms & Courts
- ◆ Government Organizations

Employability & Skill Development

- ◆ Resume & LinkedIn Profile Building
- ◆ Interview & Aptitude Training
- ◆ Career Counseling & Mentorship
- ◆ Corporate Etiquette & Professional Grooming

Placements & Career Opportunities

- ◆ Regular Campus Recruitment Drives
- ◆ Continuous Industry Collaboration
- ◆ Role-based skill enhancement

Outcome: With a strong focus on early industry exposure and practical learning, the IPC ensures a smooth transition from campus to corporate, nurturing confident, ethical, and future-ready professionals.

- Certificate in Digital Marketing & Social Media Strategy
- Certificate in Brand Management
- Certificate in Customer Relationship Management (CRM)
- Certificate in Financial Literacy
- Certificate in Investment Analysis & Portfolio Management
- Certificate in GST & Direct Taxation Basics
- Certificate in AI for Managers
- Certificate in Data Analytics for Business
- Certificate in Business Intelligence Tools
- Certificate in FinTech & Digital Payments
- Certificate in Business Communication & Presentation Skills
- Certificate in Corporate Etiquette & Professional Grooming
- Certificate in Intellectual Property Rights (IPR)

INTERNATIONAL

STUDENT EXCHANGE PROGRAM

DGIM × UMTSEA (MALAYSIA)

Delhi Global Institute of Management (DGIM) is proud to announce its international academic collaboration with UMTSEA – School of Educational Advancement, Malaysia, opening global exposure opportunities for its students through a structured Student Exchange Program.

This collaboration reflects DGIM's commitment to providing global learning experiences, cross-cultural exposure, and internationally aligned education, enabling students to compete confidently in a global academic and professional environment.

PROGRAM BENEFITS FOR DGIM STUDENTS

The Student Exchange Program is designed to help students:

- Gain international academic exposure.
- Understand global business, management, and technology practices.
- Develop cross-cultural communication skills.
- Build international credentials that enhance employability.
- Experience learning beyond classrooms.

OUR VISION

Through this collaboration, DGIM aims to bridge the gap between Indian education and global standards, ensuring that students are not only academically strong but also globally aware, industry-ready, and future-focused.

This partnership with UMTSEA is a step forward in DGIM's mission to offer international learning opportunities within an affordable and accessible framework.

FINANCIAL AID

Scholarship Assistance for SC/ST & MINORITY STUDENTS

DGIM is committed to ensuring inclusive and accessible education by offering special scholarship assistance to students belonging to SC, ST, and Minority communities. Eligible students can apply through prescribed government and institutional scholarship portals with complete guidance provided by the college. These scholarships support tuition and other academic expenses, allowing students to pursue higher education without financial barriers. Dedicated assistance is provided to help students track applications and avail timely benefits.

Bank loan/EMI Assistance FOR FEE PAYMENT

To support students and parents with financial flexibility, DGIM has partnered with various financial institutions to offer zero-interest EMI options on tuition fee payments. This convenient and secure financing facility requires minimal documentation and is available for all courses, making education more affordable and stress-free. The EMI assistance initiative ensures that financial constraints never limit a student's academic aspirations at DGIM.

SERVING SOCIETY THROUGH EDUCATION –

SIKH MINORITY STATUS

This initiative reflects DGIM's mission to bridge the gap between education and industry needs through advanced programs.

CONTRIBUTING TO NATION'S GROWTH:

Producing skilled professionals to strengthen India's workforce and drive technological advancements.

FOSTERING INNOVATION:

AI labs and the Incubation Center inspire innovation and real-world problem-solving.

EMPOWERING YOUTH

Equipping students with future-ready skills to become valuable contributors in the global job market.
