ABOUT DGIM

Delhi Global Institute of Management (DGIM), established in 2009, is committed to delivering industry-oriented education in a disciplined and nurturing environment. Located in Sector-96, Faridabad, the institute blends academic excellence with practical exposure through experienced faculty and industry experts.

DGIM ensures strong corporate exposure through guest lectures, seminars, live projects, and internships, enabling students to stay aligned with industry trends. It is among the few institutes in Haryana offering an **MBA (Artificial Intelligence and Data Science)** equipping students with future-ready skills.

With a focus on skill development, professional grooming, and placement support, DGIM prepares students to confidently step into successful careers.

At DGIM, education goes beyond a degree—it builds leaders for tomorrow.
