” **EDUCATION IS THE KEY
TO UNLOCKING THE WORLD,
A PASSPORT TO FREEDOM.**

- Dr. APJ Abdul Kalam

“

Message from the **Chairman**

“Together, we will uphold the principles of integrity, compassion, and excellence that form the cornerstone of DGIM.”

At Delhi Global Institute of Management (DGIM), our journey began with a vision of providing quality education that is accessible to all. Over the years, we have built not just an institution, but a community where learning, integrity, and innovation thrive. Our mission is to empower students to become responsible, knowledgeable, and proactive leaders who contribute meaningfully to society. My personal journey to establishing DGIM was filled with challenges, resilience, and a relentless pursuit of excellence. From humble beginnings in Tajupur, where resources were scarce, to founding DGIM, my path has always been fueled by a commitment to education and service. I believe that true success comes not just from personal

achievements, but from the positive impact we make on the lives of others. DGIM is more than an academic institution; it is a place where students are encouraged to dream big and are given the tools and guidance to achieve those dreams. We emphasize not only academic rigor but also holistic development, ensuring that our graduates are equipped with the skills, values, and confidence needed in today's world. As we continue to grow and evolve, I invite you to be part of this remarkable journey. Together, we will uphold the principles of integrity, compassion, and excellence that form the cornerstone of DGIM.

- Dr. Narender Singh

Message from the **General Secretary**

Mr. Anuj Singh

It is an honor to address you as the General Secretary of DGIM, an institution deeply rooted in a vision of academic excellence, societal progress, and holistic development. Following in the footsteps of my father, Dr. Narender Singh, whose tireless efforts and unwavering commitment laid the foundation of this institute, I am dedicated to carrying forward his legacy with the same passion and purpose. At DGIM, we strive to create an ecosystem that not only fosters intellectual growth but also instills a sense of responsibility towards society. Our commitment is to empower students with knowledge, skills, and values that prepare them for dynamic global challenges while encouraging them to contribute meaningfully to the community. Inspired by Dr. Narender Singh's vision of accessible, quality education, my aim is to elevate DGIM to new heights by integrating innovation, expanding opportunities, and nurturing a culture of excellence. Through initiatives like cutting-edge courses, practical exposure, and a strong emphasis on ethics and leadership, we seek to transform our students into future-ready professionals and compassionate individuals. As we embark on this journey together, I invite you to join DGIM in becoming part of a legacy that believes in transforming lives and building a brighter future for all.

Message from the **Principal**

Dear Students and Parents, It is my privilege to welcome you to the Delhi Global Institute of Management, a beacon of quality education and holistic development. At DGIM, we are dedicated to nurturing young minds, equipping them with the skills, knowledge, and ethical values required to excel in an ever-evolving world. Our college workshop stands as a testament to our commitment to innovation and experiential learning. By fostering a collaborative environment, we enable our students to engage in practical, hands-on experiences that enhance their understanding of academic concepts and prepare them for real-world challenges. I take immense pride in our faculty, staff, and students who continuously strive for excellence, contributing to the vibrant and inclusive culture of our institution. Our team is passionate about guiding students toward achieving their academic and personal aspirations, supported by state-of-the-art infrastructure and resources. As you explore this prospectus, I encourage you to envision the possibilities that await you at DGIM. Together, let us embark on this transformative journey toward a brighter future.

Prof. Dr. Sunaina

About **DGIM**

Delhi Global Institute of Management (DGIM) was **founded in 2005** with a vision to deliver quality education, foster innovation, and prepare students for a dynamic global environment. Located in the serene surroundings of Sector 96, Faridabad, DGIM offers a vibrant campus that encourages intellectual growth, practical learning, and holistic development.

Our Journey

DGIM began its journey in a rented building, powered by the unwavering determination of its founder, Dr. Narender Singh. Overcoming challenges, DGIM built its permanent campus in 2009, establishing itself as a trusted institution for Law, Management, Vocational Studies, and Information Technology. Today, DGIM stands tall as a beacon of academic excellence, offering diverse programs that cater to modern career aspirations.

Vision & Mission

At DGIM, we believe education is the cornerstone of societal transformation. Our mission is to provide affordable, high-quality education that nurtures disciplined, confident, and industry-ready professionals. With a focus on academic rigor, character building, and real-world exposure, DGIM aims to empower students to lead and innovate in their chosen fields.

Scholarships & Financial Assistance

DGIM provides **scholarships to SC, OBC, and minority students**. Applications can be made via the scholarship portal. For assistance, students may contact DGIM Admin Office.

DGIM provides financial assistance to all the students. We have partnered with **"GreyQuest"**, an education financing platform, to offer students the option to pay their tuition fees in **"Equated Monthly Installments (EMIs)"**. This collaboration makes education more affordable by allowing students to break down their fees into manageable monthly payments, with all plans offering **"zero-interest EMIs"**. The process is quick, with minimal documentation required, and is **available for all courses at DGIM**. This initiative helps students plan their finances better while ensuring access to quality education without financial stress.

A Visionary Collaboration

At Delhi Global Institute of Management (DGIM), we have always strived to serve society by empowering young minds with education that blends academic excellence and practical exposure. Our collaboration with Ruhil Future Technologies marks a significant milestone in this journey. Together, we aim to nurture entrepreneurial talents and equip students with the cutting-edge skills required to excel in today's rapidly evolving world.

Establishment of the Incubation Centre

This partnership began with the establishment of an Incubation Centre, a hub designed to foster innovation and entrepreneurship among our students. Inaugurated by Mr. Anshul Ruhil, Dr. Seema Singh, and Dr. Narender Singh, Chairman of DGIM, the center provides students with guidance, mentorship, and resources to turn their ideas into successful ventures. This initiative reflects our shared commitment to shaping future leaders who can contribute meaningfully to society and the economy.

Introducing AI & Machine Learning Courses

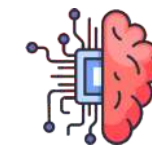

To address the growing demand for advanced technologies, DGIM is introducing specialized courses in Artificial Intelligence (AI) and Machine Learning (ML). These programs are tailored to prepare students for the future by equipping them with practical knowledge and skills in one of the most sought-after fields.

Key Highlights of the **AI PROGRAM**

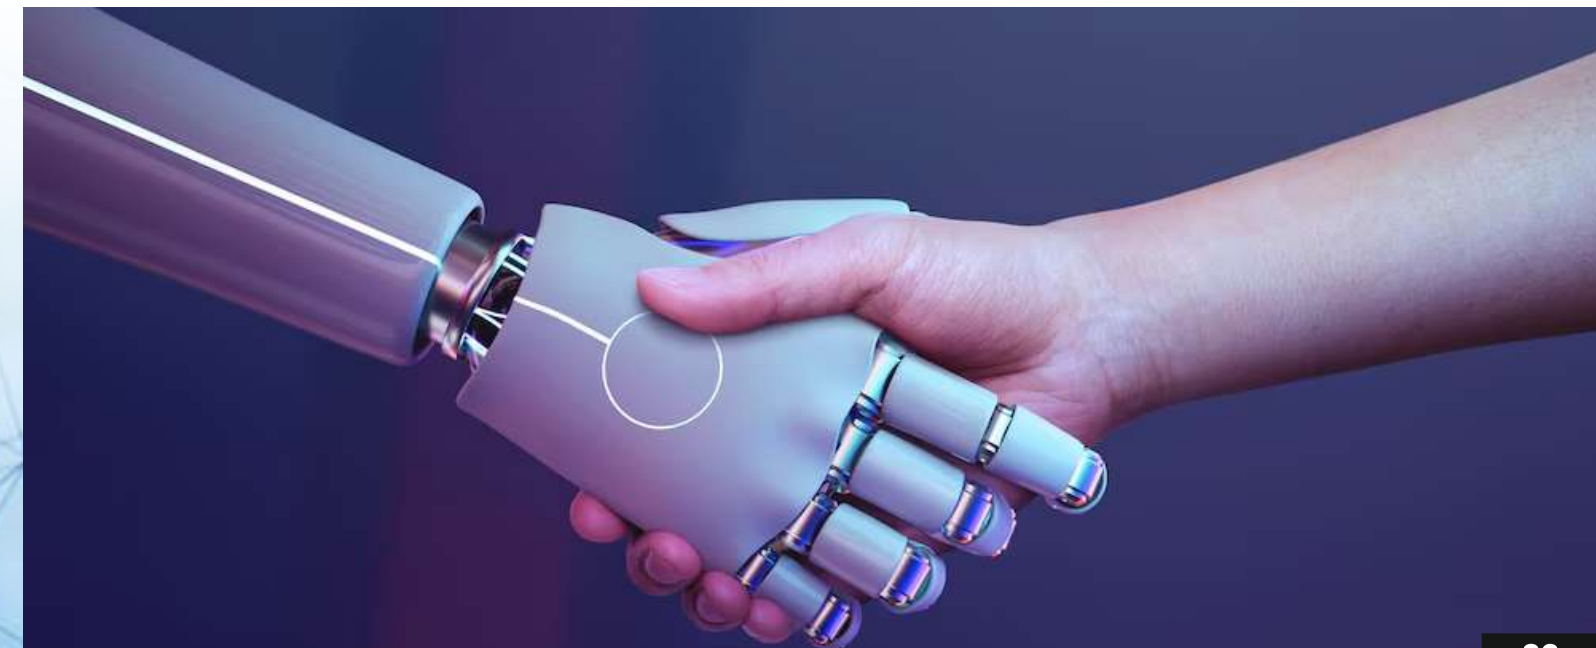

Job Offer on Admission: Students will receive a job offer letter at the time of admission, ensuring career security from day one.

State-of-the-Art AI Labs: DGIM is setting up advanced AI laboratories on campus to provide hands-on training with the latest tools and technologies.

Comprehensive Training: Our courses include rigorous training programs to ensure students master AI concepts and applications.

Serving Society Through Education

This initiative is more than just an academic endeavor. It reflects DGIM's mission to serve society by bridging the gap between education and industry needs. By introducing these advanced programs:

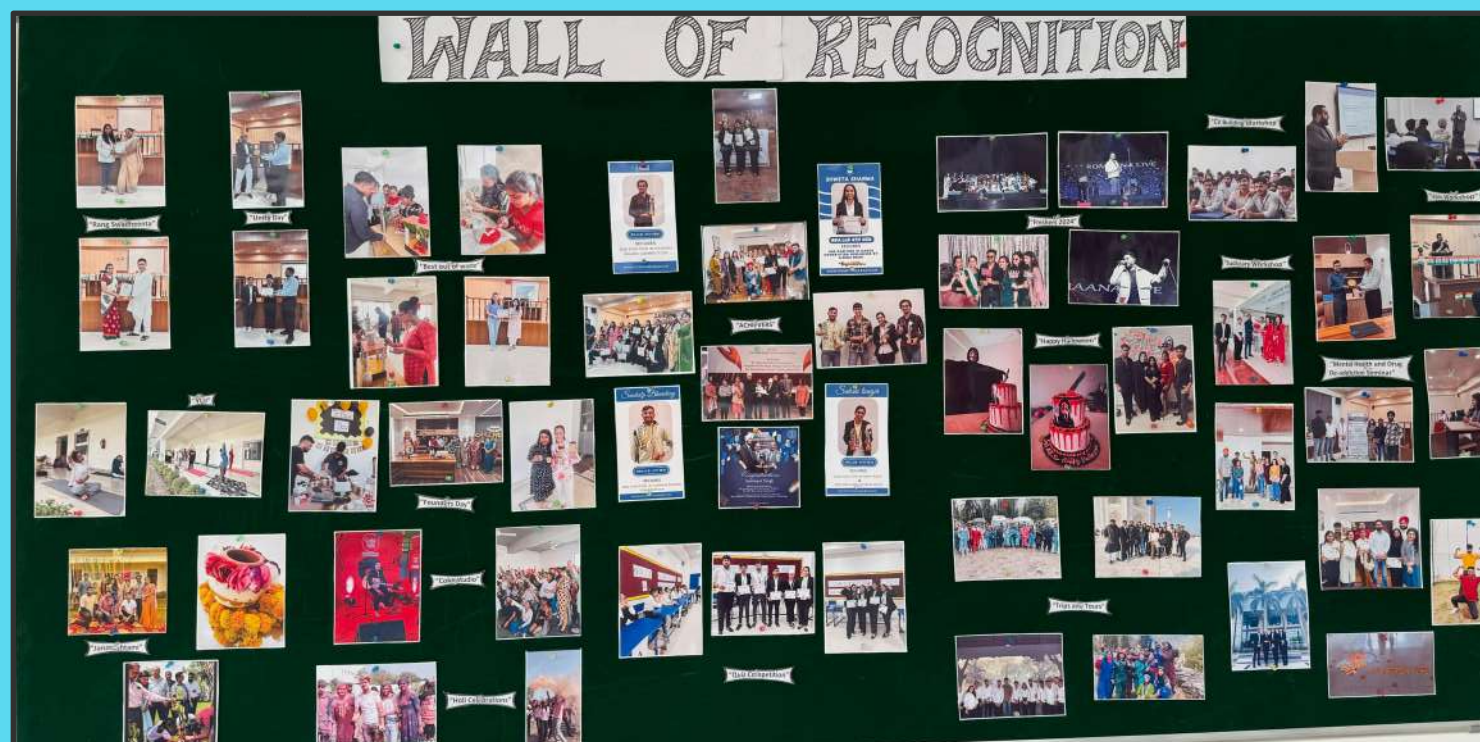

Empowering Youth: We empower the young generation with future-ready skills, making them valuable assets in the global job market.

Fostering Innovation: The AI labs and incubation center inspire innovation, encouraging students to create solutions that address real-world challenges.

Contributing to the Nation's Growth: By producing highly skilled professionals, DGIM contributes to building a robust workforce capable of driving technological advancements in India.
